## Result with our application in French :

The screenshot shows the Translator Guru application running on a Windows operating system. The interface is in French. At the top, there are several tabs: "Module 4: Homework (PRC 413)", "Openintro Statistics", "Multiple choice questions | Online", "Andy Field - Discovering Statistics", "Features from Accelerated Segmentation", and "Translator Guru". The main window title is "Translator Guru".

The application has a light blue background with a decorative banner at the top featuring cartoon characters. It includes a "Capture OR Upload Your Image" section with a "Capture Image" button, a "Choose File" input field showing "No file chosen", and a "Select A Language" dropdown set to "English". Below this is a "Check Your Results" section with a "Translated Audio" player showing "0:00 / 0:23" and a "Test" button.

A chalkboard on the right displays the German menu items: "Getränke", "Hägenachder &skate", "Erdbeerberole", "Hugo & Aperl Spritz", "Roffe Variationen", "Eiscafe & Eissdroko", "Cola's", "alsigerwählik Weine", "ala", "a", "Ja", and "-".
